2017/18 Academic Achievement Bursary (UK/EU Full Time Undergraduate Students)

The 2017 Manchester Met Unconditional Offer Scheme aims to identify exceptional undergraduate applicants who the University believe would excel and make a significant contribution to academic life at the University.

If applicants who apply during the main UCAS cycle for 2017 entry are selected for the scheme and make Manchester Met their firm choice of University, we will match this commitment by making their conditional offer unconditional ahead of completion of the relevant examinations they are undertaking.

To encourage these applicants to continue to achieve their academic potential before joining the University, Manchester Met offers an Academic Achievement Bursary of £1,000 to students who meet the full eligibility criteria.
